Cancelling this policy

We hope **you** are happy with the cover this **policy** provides. However, if after reading this **certificate**, this insurance does not meet with **your** requirements, please advise Xelector Limited within 14 days of receipt and they will refund **your** premium. Xelector Limited will refund all premiums paid within 30 days from the date they receive the notice of cancellation from **you**, provided that **you** have not travelled on the **policy** during that time. No refund in premium will be given after this period.

If **your policy** is an **annual multi-trip policy**, the **underwriter** shall not be bound to accept renewal of any Insurance and may at any time cancel any insurance document by sending 14 days notice to the Insured at his last known address. Provided the premium has been paid in full the Insured shall be entitled to a proportionate rebate of premium in respect of the unexpired period of insurance.

Cancellation cover

Please refer to the definition of a period of insurance on pages 8 and 13, to ensure **you** understand when the cancellation cover under this **policy** will commence.

Complaints procedure

If **you** have any cause for complaint regarding this insurance, please refer to the complaints procedure on page 32.

Conditions, exclusions and warranties

Conditions and exclusions will apply to individual sections of **your policy**, in addition to the general exclusions and conditions on pages 30 and 31, which will apply to the whole of **your policy**. It is a condition of this **policy** that all **material facts** must be disclosed to the **underwriter** at the time of taking out this insurance. Failure to do so may result in the **underwriter's** non-liability for claims.

Dangerous sports or pastimes

There is no cover under the **policy** for claims arising from any activity not listed under the definition of the **acceptable sports and leisure activities** on pages 7 and 8, unless **you** have paid the additional premium prior to travel, to include an activity listed under the definition of **hazardous sports and leisure activities** and cover is confirmed on **your certificate**.

Family policies

If **you** have paid the premium for a 'family rated' single **trip** or annual **policy** cover, a family is defined as follows: husband and wife (or couple including same sex, co-habiting for at least 6 months) and all their dependent children or children for whom they are legal guardian, aged under 23, who are in continuous full-time education. Your policy contains certain exclusions relating to **pre-existing medical conditions** that affect **you**, **your** travelling companions or anyone else upon whom **your** travel plans may depend. Please ensure **you** read the definition of a **pre-existing medical condition** on page 12.

Personal liability

There is no cover for personal liability claims arising directly or indirectly from, happening through or in consequence of ownership, possession or use of any vehicle, automobile, aircraft, watercraft or any mechanically propelled conveyance.

Policy document

You should read this document carefully. It gives **you** full details of what is and is not covered and the conditions of the cover. Cover will vary from **policy** to **policy** and underwriter to underwriter.

Policy excesses

Under most sections of the **policy**, claims will be subject to an **excess**. The **excess** will be applied per person, per section and per incident under which a claim is made. This means that **you** will be responsible for the first part of the claim. The amount **you** have to pay is the **excess**.

Policy limits

All sections of **your policy** have limits on the amount the **underwriter** will pay under that section. There are also specific limits under the **personal effects** and baggage section for: **single items**; **valuables** and items for which an original receipt, proof of purchase or an insurance valuation (obtained prior to loss) is not supplied.

Property claims

These claims are paid based on the value of goods at the time **you** lose them and not on a “new for old” or replacement cost basis. An amount for wear, tear and depreciation will be deducted. Certain items of personal property are not covered. Police reports are required for all losses involving theft and other losses require alternative appropriate reports, such as an airline property irregularity report, a hotel managers report, etc.

Reasonable care / unattended property

You must exercise reasonable care to prevent illness, injury or loss or damage to **your** property, as if uninsured. There is no cover for property left unattended in a place to which the general public has access. There is no cover for loss of **money** which was not carried on **your** person unless placed in a safety deposit box or similar locked, fixed receptacle.

Reciprocal health agreement

Travellers to European Union countries should obtain an EHIC from their local Post Office. This will entitle them to benefit from the reciprocal health agreements which exist between certain European Countries. In the event of a claim being accepted for medical expenses which has been reduced by the use of an EHIC, or Private Health Insurance, the deduction of the **excess** under Section B will not apply.
